Mr. HUBBARD made the following

REPORT:

*The Committee on Revolutionary Claims, to whom was referred the petition of the heirs of Captain Andrew Gardner, report :*

That, from the evidence procured from the office of the Third Auditor, it appears that Captain Gardner was never returned as an officer entitled " either to land or commutation from the United States ;" and the case furnishes no satisfactory evidence that Captain Gardner was attached to the continental line, or that he served to the close of the war. Nor is there any evidence tending to show that there is any sum due to Captain Gardner for any services during the war of the Revolution. The committee, therefore, recommend the adoption of the following resolution :

*Resolved*, That the prayer of the memorialist ought not to be granted.

Mr. Howard made the following

REPORT

The Committee on Revolutionary Claims, to whom was referred the petition of the heirs of Captain Andrew Gardner, report:

That from the evidence procured from the office of the Third Auditor, it appears that Captain Gardner was never retained as an officer or killed "either in land or communication from the United States"; and the case furnishes no satisfactory evidence that Captain Gardner was attached to the continental line, or that he served in the class of the war. Nor is there any evidence tending to show that there is any claim due to Captain Gardner for any services during the war of the Revolution. The committee, therefore, recommends the adoption of the following resolution:

Resolved, That the prayer of the memorialist ought not to be granted.
